### Entrust to Me

When they hurled their insults at him, he did not retaliate, when he suffered, he made no threats, instead **he entrusted himself to him who judges justly**. He himself bore our sins in his body on the tree, so that we might die to sins and live for righteousness; by his wounds you have been healed. For you were like sheep going astray, but now you have returned to the Shepherd and Overseer of your souls. (1 Peter 2:23-25)

*My child,*

*I entrusted Myself and My well-being to My Father for you. I died so you might also be dead to sin. I live now so you might live; whole and complete in the righteousness I have purchased for you. All you need to do is entrust yourself to Me - your heart, your life, your future and past. The price has been paid, the damage restored, the way made sure, sealed by My blood.*

*I entrusted Myself to the will of My Father, who loved you so greatly that He sent Me to die. I entrusted My will to Him for your greater good so that you may now entrust your will to Me. You need not fear, because the same love that sent Me, sends you to live a life of peace and grace (unmerited favor). Just as My Father was present with Me, I will be present with you*

*Because of My pain and suffering, your pain will be released and your suffering will come to an end. My body bore your sins. You died to sin when I took your sin upon Myself. You have been redeemed. You are now free to live the life for which you were created:*

- Free to entrust your will to Mine, or hold it from Me.*
- Free to travel far with Me, or not venture out with Me at all.*
- Free to move forward, and free to return to your troubled past; a past without hope and the realization of My love for you.*

*Know I go before you to prepare the way to greater glory. Glory from My Father illuminating your next steps. Glory greater than all your sins; life changing, majestic, magnificent glory that comes as a manifestation of My*

*Father's love. Glory reflecting the presence of God; glory letting the world know We are present here with you. In addition to this glory comes earth shaking power that causes the angels to sing and demons to tremble; supernatural, healing, restoring, glorious power. Power that raised your sins from My body to be extinguished for all time. Power allowing Me to do this for you. Power from the great I Am, through Me, to you.*

*Entrust your will to Me and you will not have regrets. Entrust your heart to Me and you will see things you never hoped for. Entrust your right standing to Me and you will find yourself standing before My Father without spot or blemish. Entrust your present to Me and feel peace, rest and joy. Entrust your future to Me and find your destiny.*

*As My Father loves Me, so do I love you. Just like He accompanied Me through My darkest hour, I will stay with you through the trials and hardships in this world. I will not leave your side. I will give you hope and lead the way before you. Come walk with Me and know you are Mine. Entrust yourself to Me. Find the joy of: living in My presence and giving your life to Me.*

## *Jesus*

Jesus asks us to entrust ourselves and our lives to Him, as He entrusted His life and death to His Father. He assures us that He will not leave our side and tells us that we will find the joy of living in His presence, as we entrust ourselves to Him.
